Cargo handling is debited at € 0,14 per kg of handled cargo unloaded from or loaded onto the aircraft in question, for both all cargo-aircraft and all cargo-versions of passengers aircraft.

Minimum fee for cargo handling is € 55,10 per month.

Loading/unloading of very heavy or voluminous cargo is subject to special charges.

Please note that all charges for handling of export shipments will be charged from the Shipper, according to Finnair Cargo Terminal Charges.

Handling in case of technical landing for other than commercial purpose will be charged at 50 % of the handling fees, provided that physical change of load is not involved.

Security check charges as per Finnair Cargo Terminal charges.
