Terms and conditions

(numbers refer to each separate service type)

1. Terminal handling charges include general handling and storage in warehouse, export and import cargo delivery to/from Customs bonded warehouse to/from the delivery area in the cargo terminal or to another area in the cargo terminal indicated by the terminal operator. Thru ULD handling requires a separate agreement between the handling parties.
2. Shipments originating from a regulated agent will be charged as unknown if the transportation chain does not fulfil the requirements set by the local authority and current aviation security regulations. Removal of undeclared dangerous goods will be charged by the applicable hourly rate.
3. A free period of 48 hours, excluding the initial Saturday and/or Sunday and/or a public holiday, commences at 00:01 AM on the day following the day of arrival.

Shipment arrival Storage starts

MONDAY >	THURSDAY
TUESDAY >	FRIDAY
WEDNESDAY >	SATURDAY
THURSDAY >	TUESDAY
FRIDAY >	WEDNESDAY
SATURDAY >	WEDNESDAY
SUNDAY >	WEDNESDAY

All storage charges are payable by the party nominated as the agent/consignee in the airwaybill. Liability of the carrier ends when the goods are delivered to the person entitled to delivery. If the shipment is forwarded, Finnair Cargo Oy disclaims any responsibility concerning the allocation of warehouse charges. Storage charges are also applied when the shipment is stopped irrespective of Finnair Cargo.

4. Charges concerning house air waybills (HAWB) will be charged on the master airwaybill (MAWB). If the MRN has been received by FWB/FHL messages or via web portal or the self-service computer available at our terminal customer service, no charge will be collected.
5. All shipment data should be sent either by using FWB/FHL messages or by entering the details in the web portal. In case discrepancies and/or data entry required by AY personnel, the charge applies. Charges concerning house air waybills (HAWB) will be charged on the master airwaybill (MAWB).
6. VAL charges are also applied to transit shipments (for both transportation from/to aircraft).
7. DGR charges are also applied to all rechecks. There is a separate fee for both export and import.
8. Fee applies only for export shipments.
9. Fee applies for both export and import.
10. Fee applies for both export and import. After partition takes place within 24 hours from customer's request.
11. On customer's request.
12. On customer's request. Loading/offloading is performed by one cargo warehouse employee. Charge for additional loading staff will be according the other charge per hour rate. **Loading/unloading of heavy items (over 3000kg) needs to be ordered 4 hours in advance.**
13. On customer's request. For the hourly rate, minimum cost is one hour.
14. **QDL needs to be ordered 24hrs before flight arrival and be confirmed by AY personnel. Confirmation is available 8 hours before flight arrival.** Trucks are not included.

Per AWB means per MAWB/HAWB, whichever is applicable.

All charges are subject to changes and stipulations without prior notice.

All charges are subject to actual weight.
All charges are excl. VAT unless otherwise mentioned.
VAT will be added if applicable according to currently valid tax legislation in Finland
