

Established Business Relationship Statement

By signing this form, you attest ALL shippers associated with this Master Airwaybill (MAWB) meet at least **one** of the following established business relation criteria:

1. The shipper is a Known Consignor under the security program of the national authority; or
2. Shipper has an account with the forwarder that was established prior to September 2nd, 2024, and contains one of the following:
 - Shipping and billing address for the shipper AND documented payment or credit history; or
 - Documented history of sales that may include any contacts or activities; or
 - Other documented correspondence or business records;
3. If the Shipper is a customer to the forwarder after September 2nd, 2024, the forwarder has examples of at least the following records related to the shipper:
 - A personal, business or corporate registration certificate, license or record;
 - Personal, business or corporate information including name, address, phone number and email address;
 - Contact information, including name and position, of authorized point of contact for the account;
 - Payment information, such as a credit card number; and
 - A signed contract between the person and the forwarder
